

PACT OBJECTIVES

- **More active, more often**
- Up skilling existing and new workforce in delivering high quality sporting opportunities
- Widen access to sport among low participation groups
- Support young people to access training through sport to develop personal/social skills and employment opportunities.

netball coaching

WHO IS PACT FOR ?

- Young people aged 14 - 25 years
- Sports clubs delivering sessions to 14 - 25 year olds
- Professionals looking to up skill to meet the demands of their service i.e. youth workers, connexions, police, care workers.

WHAT PACT OFFERS

Solihull Active in partnership with Streetgames and National Governing Bodies of Sport will provide workshops and courses to help coaches and potential coaches to get more people, more active, more often.

Training leads to recognised awards and qualifications in rugby, tennis, badminton, basketball, netball, hockey, sports first aid, sports leadership and safeguarding.

basketball coaching

wheelchair basketball

“ A broad range of research has identified a range of benefits to both individuals and communities from sports volunteering. These include a greater sense of belonging and identity with community, development of new social contacts and the opportunity to learn new skills and gain new qualifications. As such, these coaching courses seem like an excellent opportunity.”

Councillor Mrs Kate Wild
Cabinet Member for Environmental and Community Services

A pocket guide to PACT Personal Attainment and Community Training

“ Using information to continue to get more girls to our local cricket club e.g I have been using pink cricket stumps and various other pink equipment of which the girls enjoy!”

STARS Member and Warwickshire County Cricket Club

“ I accessed PACT to gain skills to increase my chances of finding employment. To give something to the community I live in.”
